BC Beacomber Blue
open top bus route.
14 Service 14 bus route.

Beacomber

Open top bus rides to see the sights of
Bridlington & Flamborough!

Bridlington

Bridlington has two fabulous
golden sand beaches either
side of a picturesque, bustling
harbour, where fishing boats
bring in the day's catch and
pleasure cruises leave for trips
along the heritage coast.

Hop on **Beacomber Blue**
for impressive views across
the bay, or head out to the
19th century Sewerby Hall and
Gardens. In a dramatic cliff-top
position with spectacular views
over Bridlington, the house and
gardens are a sheer delight.

Flamborough

Catch the **Beacomber
Blue** and travel to the cliff-top
landscapes of Flamborough
Head, with its famous white
lighthouse built in 1806. Climb
the 119 steps for stunning views
out to sea. You can learn about
the history of the structure and
how the lighthouse works.

*Occasionally, especially in bad
weather, regular buses may be
used instead of open top buses.*
